

"Super Summer Camp"

At Cape Cod Tech, Harwich, Cape Cod

Join us in hands-on, fun workshops for kids 9-14.
Each workshop runs Mon-Thurs. 8 -12 noon.

(includes morning snack and appropriate equipment and supplies.)

Culinary Camp: Your young chef will learn kitchen safety and procedure, while participating in food preparation and cooking.

Arts and Crafts Camp: This workshop allows the artist in your child to emerge. While color theory and composition are introduced, the majority of this workshop will be packed with craft ideas and projects

Radio Camp: Have your student learn the basics of radio at our real life, in-school radio station.

Phys Ed Camp: This workshop focuses on the introduction to a variety of sports and basic techniques including tennis, track, badminton, volleyball, soccer, softball etc. Please wear sneakers. Not available 7/27

All Workshops are 4 days and begin :

7/ 27; 8/ 3; 8/ 10; 8/17

\$210. Per child per workshop session

6:1 instruction ratio. All instructors are MA licensed teachers
